Pricing pertains to the 2007 Chevrolet Silverado 2500HD. Dealer may sell for less. See [additional information](#) on vehicle pricing.

**OnStar&#176;** services require vehicle electrical system (including battery), wireless service, and GPS satellite signals to be available and operating for features to function properly. Not all OnStar features are available on all vehicles. OnStar Personal Calling (OPC) requires an OPC-enabled vehicle, existing OnStar service contract, and prepaid calling minutes, and is not available in Alaska and some other markets. Calls may be made to the U.S. and Canada only. OnStar voice recognition system may not work with some voices. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. The U.S. Federal Communications Commission (FCC) ruled that Canadian and U.S. wireless carriers will no longer be required to support the analog wireless network after February 16, 2008. As of January 1, 2008, OnStar plans to offer service only through equipment that operates on the digital network, which may require the purchase of a system upgrade for eligible vehicles. Call 1.888.4.ONSTAR (1.888.466.7827) or visit [onstar.ca](#) for OnStar's Terms & Conditions, Privacy Policy, and system limitations and details.
